PRODUCT DESCRIPTION AND FEATURES

The Avia remote control love egg has 10 fun settings, with a USB rechargeable design that lets you use it over and over again. You will feel every subtle pleasure ripple as it moves in and out of you. Use the wireless remote to control your pleasure, or use it with a partner for discreet fun- it works up to 10 meters away!

1. Intensify shared pleasure before, during or after sex. Simply insert the ball of the toy into the vagina for G-spot stimulation. The long thin tag remains outside of the vagina for easy removal.
2. Remote control – The remote can change the vibration intensity and mode whilst in use. Either partner can use the remote and it works up to a distance of 10 meters.
3. Eco-friendly USB Rechargeable - Simply insert the charger into the toy and/or remote where indicated by DC Ⓞ .
4. Made from liquid silicone – soft, safe and reliable.
5. Waterproof - Both the toy and remote are waterproof and can be used in the shower, bath or hot tub.

SAFETY AND DIRECTIONS

1. Remove toy from packaging.
2. Charge both the toy and remote control. The white light will blink on and off during charging and will light up continuously when it is fully charged.
3. Wash with Share Satisfaction toy wash.
4. Apply Share Satisfaction water-based lubricant.
5. Turn on your 'Avia' sex toy by pressing the ON button on both the toy and remote control.
6. Gently insert the ball into the vagina, the long thin tag remains outside for easy removal. Give your partner the remote control and enjoy the shared satisfaction.
7. To change the mode of vibration, simply press the mode button on the remote.
8. This product has a 12 month warranty, which covers product replacement for manufacturing defects only. No medical claims are implied or warranted by use of this product.
9. The crossed out wheeled bin on the product indicates that this product should not be treated as household waste.
10. Warning – sold as an adult novelty only, not for medical use. This appliance is not intended for use by children or persons with reduced physical, sensory or mental capabilities. To avoid electric shock, do not use charger near water. Do not use on swollen or inflamed areas of skin. Discontinue use if discomfort occurs.
